

2020 Party Platform

1. The Jefferson County Republican Party supports school choice and the rights of parents to decide the best course of education for their children. This includes equal funding for public charter schools, as well as transparency and choice in curriculum.
2. The Jefferson County Republican Party supports the TABOR amendment as written and opposes any attempts to circumvent Colorado Constitution X, Section 20 "The Taxpayer's Bill of Rights."
3. The Jefferson County Republican Party resolves to support making funding for improvement of roads and bridges a priority in the county and state budget.
4. The Jefferson County Republican Party supports the board of county commissioners reevaluating their budget to prioritize public safety.
5. The Jefferson County Republican Party affirms the importance of the oil and gas industry to a vibrant economy in Colorado and rejects any effort to inhibit responsible oil and gas production in the state.
6. The Jefferson County Republican Party rejects any encroachments on the second amendment and supports the repeal of the Extreme Risk Protection Order (the so-called Red Flag law).
7. The Jefferson County Republican Party rejects the establishment of a single-payer health system and will defend the rights of individuals to seek healthcare of their own choosing.
8. The Jefferson County Republican Party affirms the role of government to protect public health and safety including the management of the homeless population.
9. The Jefferson County Republican Party rejects the establishment of supervised drug injection sites, which violate federal law and encourage harmful substance abuse.
10. The Jefferson County Republican Party affirms the function of government to protect each eligible citizen's right to vote and to take every lawful action to protect the integrity and security of Colorado elections, including the requirement of a valid photo ID at voter registration.
11. The Jefferson County Republican Party are in favor of maintaining an Electoral College system for voting rather than supporting a national popular vote.
12. The Jefferson County Republican Party supports the consistent enforcement of immigration laws and rejects the establishment of so-called "sanctuary cities."
13. The Jefferson County Republican Party rejects requiring children to be included in a registry if their parents decline any vaccination on the state's schedule.
14. The Jefferson County Republican Party supports the re-imposition of the death penalty and the just execution of the offenders currently on death row.
15. The Jefferson County Republican Party supports the permanent location of US Space Command in Colorado.
16. The Jefferson County Republican Party resolves that the inalienable rights of the unborn should be protected. The party will oppose any taxpayer funding of abortion providers, and any bill that increases the practice of abortion.
